## Other Pathways for Students

- Project Yi-jin
- Vocational Training Council (VTC)/ Hong Kong Institute of Vocational Education (IVE) programmes
- Last cohorts of S5 & S7 students:
  - HKEAA will organise one more HKCEE and HKALE in 2011 & 2013 respectively for some subjects for S5 & S7 repeaters
  - If students wish to repeat HKCEE, they are encouraged to repeat in S5 and S6 under NSS and sit for HKDSE examination in 2012 because of curriculum continuity and better post secondary pathways.

# Multiple Pathways

- Last cohort of S7 students graduating in 2012 may repeat in 2013 ( the last HKALE) or they may study sub-degree programmes instead, however, there will be no more 3-year undergraduate programmes in 2013.
